

# In the arms of the father

Capo 3/Tempo 62

## 1. Vers

                  G                  em  
From the throne you came down  
          C                          D  
to meet me where I am  
          G                  em  C                  D  
You kneel in front of me here with open arms  
          G          em  C  D  
Only to embrace me                  2x

## Chorus

                  G          em          C          D  
Now I can rest, I can lay, in your loving arms  
          G                  em                  C          D  
There is peace, there is hope, and there is healing deep within  
          G          em          C                  D          G  (em)  
I can breath, I can be, there is nothing else, just you and me

## Bridge

                  em          am  
There is nothing stronger  
          G                  D  
there is nothing more loving  
          em  am          G                  D  
Than the love father I've received in your arms
